NARROWBOAT

BETSY

Shell by Pro Build
fit-out by Black Prince

Length: 62ft 7in
Style: Cruiser stern

Year: 2013
Engine: Canaline 42 diesel

Berths: 2 + 2
Registration No: CRT 529531

WIN: GB-BPHP0260K12
Certification: BSS to 2027

Betsy is a 62ft 7in cruiser stern narrowboat built by Black Prince on a shell from Pro Build, both well-established names within the inland waterways sector. As a former hire boat, she benefits from a practical and adaptable layout, suited to a range of uses including extended cruising or liveaboard. A key feature of Betsy is her recently repainted superstructure, completed just prior to being brought to market. This work gives the boat a clean and refreshed external appearance and represents a notable benefit for a prospective purchaser. Internally, the layout differs from the typical aft cabin arrangement, instead offering a four-seater bench area which could be used as dining space or an office. Accommodation is for four people, with the layout arranged to allow access to the two shower rooms without disturbing others onboard. Propulsion is by a Canaline 42hp diesel engine, with PRM 150 hydraulic gearbox and fitted with an Aquadrive coupling to help reduce noise and vibration. Heating is provided by an Eberspacher diesel boiler to six radiators, with hot water heated by the engine and boiler. 230V power when not connected to the shore is by a 2kW inverter/70A charger.

Offered for sale
through ABNB

PRICE: £54,995

230V SUPPLY

230V circuit installed with landline connection • **Galvanic isolator** fitted

Independent onboard 230V power from batteries via Power Star **2kW pure sine wave inverter** /charger • The inverter determines the 230V source

PLEASE NOTE: This is sales information and not a survey report; providing content details only. In this case we are acting as Brokers only. The specification in these pages is based on ABNB's visit to the vessel and on information given by the owner. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective Buyer is strongly advised to check the particulars and where appropriate at their own expense to employ a qualified Marine Surveyor to carry out a survey. Life saving appliances do not form part of the inventory and it is for the buyer to ensure that they are in date and suitable for their purposes. The information here is given in good faith but no description, statement, promise of work to be done, or suggestion for future use, constitutes an offer. If the craft leaves the UK, any necessary VAT paid status may not be available.
