NARROWBOAT

BETHANY MAY

Shell by H D Narrow Boat Builder
fit-out by Ford Narrowboats Ltd

Length: 45ft 0in
Style: Cruiser stern

Year: 2023
Engine: Canaline 38 diesel

Berths: 0 + 4
Registration No: CRT 530139

WIN: GB-FNBCSNNOV2023
Certification: RCR to 2027

Built in 2023 by Ford Narrowboats on a shell from H D Narrow Boat Builder, Bethany May is a stylish, modern narrowboat in a go-anywhere length. Stepping aboard from the spacious and sociable cruiser deck into a flexible living and dining area featuring two single Pullman dinettes, offering comfortable seating, dining space and converting into two single berths. Midships, the galley runs along the port side and includes a gas oven & grill, separate hob and an under-counter fridge. Opposite, the shower room provides a shower, washbasin and cassette toilet, while at the fore, an L-shaped seating area transforms into a make-up double berth, adding to the boat's versatile accommodation. Heating is provided by an Autoterm compact diesel boiler feeding designer radiators and a towel rail, while hot water is supplied by the engine, boiler or immersion. 230V power can be obtained via the landline, or Victron 3kW inverter with three cabin batteries charged by the Victron 120A charger and two 180W solar panels. Propulsion is by a Canaline 38hp diesel engine with just 46 engine hours. Bethany May is presented in 'as new' condition.

Offered for sale
through ABNB

PRICE: £53,000

BETHANY MAY

230V SUPPLY

PLEASE NOTE: This is sales information and not a survey report; providing content details only. In this case we are acting as Brokers only. The specification in these pages is based on ABNB's visit to the vessel and on information given by the owner. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective Buyer is strongly advised to check the particulars and where appropriate at their own expense to employ a qualified Marine Surveyor to carry out a survey. Life saving appliances do not form part of the inventory and it is for the buyer to ensure that they are in date and suitable for their purposes. The information here is given in good faith but no description, statement, promise of work to be done, or suggestion for future use, constitutes an offer. If the craft leaves the UK, any necessary VAT paid status may not be available.
