NARROWBOAT

GRADY

Shell by Les Allen
fit-out by Teddesley Boat Co

Length: 49ft 8in
Style: Semi-trad

Year: 1998
Engine: Isuzu 4LB33 diesel

Berths: 2 + 2
Registration No: CRT 502753

WIN: Built before RCD(?)
Certification: BSS to 2030

The name Les Allen & Sons stands out, built in the Black Country at Valencia Wharf Oldbury, to uncompromising standards and fine lines. With a fit-out by another respected name from the past, Teddesley Boat Co, Grady has an excellent pedigree and presents as a tidy, well-cared for example. The traditional layout comprises an aft bedroom, shower room, galley and forward saloon. The saloon bench seating converts to provide two single berths and a dining area. The galley is equipped with a full size gas cooker, microwave and under counter 12V fridge, while the shower room includes a shower cubicle, washbasin, and a pump out (direct to tank) toilet. Hot water is supplied by the engine, boiler, or immersion heater, with central heating from an Alde gas boiler to radiators. Electrical systems include a Mastervolt 2kW inverter and separate Mastervolt 35A battery charger. Additional features include a Travelsat satellite dish, wi-fi booster, tv, and a Freeview box. Externally, Grady benefits from a cratch-covered well deck and folding pram hood to the aft deck. The paintwork is just beginning to fade, and the hull was last blacked in March 2026.

Offered for sale
through ABNB

PRICE: £44,995

PLEASE NOTE: This is sales information and not a survey report; providing content details only. In this case we are acting as Brokers only. The specification in these pages is based on ABNB's visit to the vessel and on information given by the owner. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective Buyer is strongly advised to check the particulars and where appropriate at their own expense to employ a qualified Marine Surveyor to carry out a survey. Life saving appliances do not form part of the inventory and it is for the buyer to ensure that they are in date and suitable for their purposes. The information here is given in good faith but no description, statement, promise of work to be done, or suggestion for future use, constitutes an offer. If the craft leaves the UK, any necessary VAT paid status may not be available.
