NARROWBOAT

JENNY WREN III

Shell by Dave Clarke
fit-out by First owner

Length: 36ft 1in
Style: Cruiser stern

Year: 2009
Engine: Isuzu 35 diesel

Berths: 0 + 2
Registration No: CRT 522112

WIN: unseen
Certification: BSS to 2028

Jenny Wren III is a charming little boat with plenty of character, proving that good things really do come in small packages, this compact narrowboat has been thoughtfully designed to make the most of every inch of available space. The well-planned REVERSE layout begins with the galley at the aft, equipped with a full size fridge, cooker, storage, including a useful hanging wardrobe or wet coat cupboard space, and ample worktop space for meal preparation. The off-the-corridor shower room features a boldly tiled quadrant shower, cassette wc, and washbasin. A fold-down table and stools provide an ideal dining space for two while the forward saloon offers cupboard space and is warmed by a smart Lockgate diesel stove. A sofa bed is currently in the saloon, although this is not included in the sale. Hot water is supplied via a calorifier heated by the engine, with the added convenience of an immersion heater when connected to shoreline power. Electrical systems include a 1.6kW inverter/50A charger, shoreline connection and two 100w solar panels helping to maintain the domestic batteries.

Offered for sale through ABNB

PRICE: £33,500

JENNY WREN III

230V SUPPLY

230V circuit installed with landline connection

Independent onboard 230V power from batteries via Sterling Prosine Q **1.6kW modified sine wave inverter** /charger • The inverter determines the 230V source
